In **Mar Galaica** they help the consumer to identify the restaurants and recipes that guarantee the tasting of the best fresh fish and seafood in the world, that of the Galician coast

The promotional seal **Km 0 Margalaica** guarantees that the restaurant with this badge offers mainly fish and seafood from the local fish markets, which were caught using traditional methods of fishing by seamen and sea shellfish, who live off the sea and who want to live on Him many more years.

The fish and seafood of our dishes are 100%, coming from the markets of **Mar Galaica**: Fisterra, Corcubión, O Pindo, Lira, Muros, O Freixo, Noia, Portosín or Porto do Son.

**Our establishment together with Km 0 Mar Galaica committed to:**

QUALITY, SUSTAINABILITY, LOCAL IDENTITY and RESPONSIBLE CONSUMPTION

We want to promote consumption close to fishing sites:
